

WINTER MONITORING PERIODS

EFFECTIVE FOR SEWER CHARGES BEGINNING JULY 1, 2022 THROUGH JUNE 30, 2023

Most single-family residential sewer accounts use the winter-based billing method. Water consumed during the dates listed below will determine the 2022-2023 annual sewer charge. The cycle number is listed on your water bill.

Helix Water District Customers:

Cycle 07 customers: 11/08/21 through 3/09/22
Cycle 08 customers: 11/09/21 through 3/10/22
